

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Inventors: Philip D. Floyd, *et al.*

Application No.: 10/014,563 Group: 2872

Filed: 12/14/2001 Examiner: L. Boutsikaris

Title: METHOD AND APPARATUS FOR AN INTEGRATED LASER BEAM SCANNER

Commissioner for Patents
Alexandria, VA 22313-1450

Sir:

LETTER

Per the Examiner's request, attached please find the original Letters Patent upon which this Reissue application is based, as required under 37 C.F.R. § 1.178. Inasmuch as the Examiner has indicated that is the final requirement that must be met, and the application is now in compliance with applicable rules, Applicants look forward to receiving a Notice of Allowance. Applicants thank the Examiner for his assistance with this case.

Respectfully submitted,

David E. Henn
Attorney for Applicants
